

Living together pleasantly

- Keep the communal spaces tidy and uncluttered
- Put waste for collection at the designated place on the assigned day
- Park bikes/cars in allocated parking spaces
- Close communal doors properly

Noise nuisance

Respect your neighbours when it comes to noise. Keep the volume of your TV or radio at a reasonable level, and warn your neighbours ahead of time if you're going to throw a party.

Nuisance caused by pets

Make sure your pets do not cause nuisance to others. Clean up dog waste to ensure it is not an inconvenience to others.

Talk it out

If your neighbours cause nuisance to you, then please try talking it out in a friendly manner. Communication is key. Your neighbour might not even be aware that they're annoying you or causing nuisance.

It is forbidden to smoke in the communal spaces and galleries
